

VISION: A world where everyone has a decent place to live.

National Women Build Week 2017 - Sign up Now!

Looking to meet other like-minded women while improving your community and learning hands-on skills?

Sponsored by Lowe's, Habitat for Humanity's National Women Build Week, **May 6-14**, invites women to devote at least one day to help build decent and affordable housing in their local communities.

Take the NWBW Challenge! Organize a team of five to fundraise at least \$250 (that's \$50 per individual, or each person can ask five friends for \$10 each...it's that easy!), and volunteer during NWBW. All donations support the Women Build program at Pikes Peak Habitat for Humanity. Volunteers receive lunch and a NWBW t-shirt...and the team that raises the most money wins a gift from Lowe's!

**Reserve your spot!
Space is limited!**

To volunteer or donate, call either Isaac (Volunteer Manager) or Laura (Development Associate) at 719.475.7800 or email:

isaac@pikespeakhabitat.org or laura@pikespeakhabitat.org.

Kick Off Earth Day With a Trip to the ReStore!

Remodeling, cleaning, down-sizing or just getting organized? Whatever your project, don't let the items you no longer need end up in your local landfill.

When you shop or donate, all proceeds from ReStore sales support Habitat for Humanity's mission to make sure everyone has a decent place to live.

Come down to the ReStore and find that treasure you've been searching for!

An Adopt-a-Day Opportunity for You

If you are looking for a fun team-building experience that helps strengthen camaraderie while also helping the community then an Adopt-A-Day is for you!

Every helping hand makes a difference. Not only can you learn valuable construction skills, but the day includes complimentary lunch delivered to the construction site, Habitat T-shirts, and a framed photo of your group. We'll even post your group on social media for team members to tag later.

By donating \$2,500 or more, your group can cover all the costs that go in a day of construction and also help a partner family realize their dream of homeownership. All in one day!

Thank you!
